

## Kalos - Sage Fabric

This pattern is printed by the yard on an option of four fabric grounds. All production is done per order and takes up to 5 weeks to ship. Please be sure to order a sample before purchasing yardage.

Fabric is printed to order locally in the Northeast. Our 100% linen comes in small batches from Belgium. All standard fabric options are 54" wide. There is a one yard minimum order.

Kalos - Sage fabric was made in collaboration with Tor Sauder as part of the Dalili Collection.
