

## Dogwood Dreams – Flax Fabric

This pattern is printed by the yard on an option of four fabric grounds. All production is done per order and takes up to 5 weeks to ship. Please be sure to order a sample before purchasing yardage.

Fabric is printed to order locally in the Northeast. Our 100% linen comes in small batches from Belgium. All standard fabric options are 54" wide. There is a one yard minimum order.

|                   |                          |
|-------------------|--------------------------|

|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Care          | Dry clean only                                                                                                                                                                                                                                                                                 |
| Color & Scale | We always strive for color accuracy but please note that colors shown on the website are a representation only. Please refer to the actual product sample. **Also due to varying ink/print systems wallpapers and fabrics of the same pattern are not always an exact match in color or scale. |
| Made In       | USA                                                                                                                                                                                                                                                                                            |
