

CLOCKWISE FROM TOP: Hranowsky offset the home's bright palette with softer hues in the master bedroom; the room's vintage furniture includes a chaise from Ash and swivel chairs in a Raoul Textiles fabric; the bedspread is of a Larsen fabric; pillows, Eskayel. In a daughter's bedroom, Astek's peach-toned grass cloth creates a warm backdrop for the Anglo Indian-style headboard, the throw pillows and vintage chair in Raoul Textiles' Pondicherry print, and a custom nightstand lacquered in Pratt & Lambert's Regatta Blue. A vintage armchair is upholstered in a fabric from John Robshaw Textiles.
