

Gradient Stripe - Pink Island Performance Fabric

This pattern is printed by the yard on 100% polyester performance fabric and is treated to be both water repellent and stain resistant. It is perfect for outdoor environments and high-traffic indoor commercial areas.

Please be sure to order a sample before purchasing yardage.

The fabric is digitally printed in Italy in small batches to reduce waste. There is a one yard minimum order.

Vertical Repeat	29.933"
Horizontal Repeat	27"
Fabric Width	54" (137.2 cm)
Fabric Length	by the yard (91.5 cm)

Pricing	Sold by the yard
Selvage	1"
Sample Size	8.5" x 11" **If you are unsure of color or fabric choice please order a sample before purchasing.
Large Sample Size	25" x 25"

Fabric Ground	100% Polyester; 50,000 Martindale
Print Method	Digitally printed and finished with stain resistant and water repellent with Teflon® finishing
Delivery	There is a 1-2 week lead time for stock orders based on availability . We print in batches of 50 yards, so generally stock levels will be less than this. Orders for larger quantities can be special ordered and require a lead time of approximately 4-8 weeks. Please contact us with any inquiries on volume orders. **Rush Service subject to availability. Rush fee does not include expedited shipping.

Care	Dry clean or machine wash on the warm cycle with a gentle detergent. Air dry. If needed, treat with a 1:4 ratio of bleach and water.
Lightfastness	Lightfastness can vary depending on what region of the world you live in. Minimal fading will occur over time, but the color will fade on shade. Please be sure to follow the care instructions.
